The Process of Vetting

**HOW CAN
WE PROTECT
OURSELVES AGAINST
MYTHS AND LEGENDS?**

Seems reliable???

Our Human perspective
is NOT dependable.

God's Truth is Dependable.
It is Certain. It can Be Counted On!

Ask these questions as a starting point...

1. How does this idea/teaching match up with WHO GOD IS?

2. How does this idea/teaching match up with who God tells me I AM?

3. How does this idea/teaching match up with the promises and principles of God's Word?

Be willing to **Accept** the answers, even if we don't want to hear it.

**What is
our role as
Biblical
Myth Busters?**
