ROAD RALLY MONTH

February

Each grade level will have the entire month of February (four weeks) to accumulate "miles". The class that travels the most "miles" around the race track

by the end of February will be declared the winner. There will be a special award for the class that has journeyed the farthest.

Each grade level will be given specific Bible passages assigned for each week of the month, plus “bonus” memory work to recite. The bonus will usually be a review of a previous year’s memory work.

“Miles” are earned in the following ways:

- 2 miles for each student present
- 3 miles for each student bringing a Bible to class
- 3 miles for each visitor brought by a member of the class to Sunday school
- 5 miles for each student learning the selected memory work for the week
- 10 miles for each visitor who brings a Bible and learns the memory work
- 10 miles for each student learning the bonus memory work

*A handicap based on average attendance has been calculated for each grade; therefore, each class has an equal opportunity to win.

Watch for your class’ progress on the Sunday school bulletin board.
