## LEARN AND EARN PROGRAM

At Christ Our Savior Lutheran Church we have a Learn and Earn program designed to teach the love and saving grace of our Lord and Savior, Jesus Christ, and to begin to prepare children for Confirmation Class. Your child will do this by learning Bible passages, portions of Luther's Small Catechism, prayers, the books of the Bible, and by having faithful attendance in Sunday school.

If your child begins this program as a 3-year-old and continues with it until s/he finishes 6th grade, s/he will have completed much of the memory work for Confirmation Class.

We encourage you to help your child at home with the Learn and Earn program. Children will also work together in class on each month's memory work. Because our goal is to keep each class focused on the same memory work each month students will not be allowed to work ahead.

Each month your child completes the month's memory work they will be awarded a certificate of completion and will be given recognition for their achievement on

The following sections of Luther's Small Catechism were required memory work from the previous Learn and Earn Booklets. If you are new to this program or did not complete any of the items listed below, it would benefit you to work on them after you have completed the required memory work from this booklet. However, you do not have to complete these items in order to be eligible for a Learn and Earn Award this year.

## **April Memory Work**

### **The Doxology**

Praise God from whom all blessings flow,  
Praise Him, all creatures here below,  
Praise Him above, O Heavenly Host,  
Praise Father, Son and Holy Ghost.

a special bulletin board in the children's ministry office. Children who are unable to complete the memory work for a given month may recite their work at any later time.

The program begins the first week in October and ends the last week in April. Learn and Earn Awards for completion of the entire year's memory work will be presented at the end of the year. Children may choose their Award from several choices which may vary from year to year.

Have your child bring his Learn and Earn booklet with him to Sunday school each week so that we will be able to keep an accurate record for him as well. Sunday school teachers keep a record of each child's memory work in a class folder should you have any questions about what work your child has completed.

God's blessings on you and your family as you hide His Word and truths in your hearts.

## ROAD RALLY MONTH February

Each grade level will have the entire month of February (four weeks) to accumulate “miles”. The class that travels the most “miles” around the race track by the end of February will be declared the winner. There will be a special award for the class that has journeyed the farthest.

Each grade level will be given specific Bible passages assigned for each week of the month, plus “bonus” memory work to recite. The bonus will usually be a review of a previous year’s memory work.

“Miles” are earned in the following ways:

- 2 miles for each student present
- 3 miles for each student bringing a Bible to class
- 3 miles for each visitor brought by a member of the class to Sunday school
- 5 miles for each student learning the selected memory work for the week
- 10 miles for each visitor who brings a Bible and learns the memory work
- 10 miles for each student learning the bonus memory work

\*A handicap based on average attendance has been calculated for each grade; therefore, each class has an equal opportunity to win.

Watch for your class’ progress on the Sunday school bulletin board.
